

Georgetown Fire Protection District

Part Time Paramedic

The Georgetown Fire Department has a current opening for Part Time Firefighter/Paramedic and Engineer/Paramedic

This is an opportunity to work for a small-town rural California fire department in beautiful El Dorado County, CA. Successful applicants will have the ability to have an immediate impact on the organization. You will have input on all aspects of how the organization operates. You will have the ability to take on projects that you are passionate about.

We are a combination department with a good working relationship between our volunteer and career personnel. We have an excellent training center with a certified burn tower and multiple rescue props, where we host a variety of training classes, some in partnership with community colleges and some certified by the State Fire Marshal's Office.

We also participate in Countywide Automatic Aid system that will provide you with opportunities to respond with a variety of fire agencies in the county on numerous types of incidents in all types of residential and commercial structures, as well as highways.

We encourage anyone interested to contact our recruitment team at recruitment@geofire.org for more information

APPLICATION PROCESS:
