

# TYSON STEWARD

---

## GEORGETOWN FIRE BOARD OF DIRECTORS

I would like to express my interest in joining the Georgetown Fire Board by filling the vacancy created by Rod Williams' retirement. I believe I can bring meaningful value to the Board through both my professional experience and my commitment to the community.

I have over 20 years of business experience in the construction industry, where I have developed skills and knowledge in several key areas, including financial statements, employment law and regulations, contract negotiation, project scheduling and budgeting, and effective communication and leadership. I have also successfully contributed to the completion of large-scale projects, which has strengthened my ability to collaborate, problem-solve, and deliver results.

My family has lived on the Georgetown Divide for several generations. This is my home, and I care deeply about the well-being and future of our community. If appointed to fill this vacancy, I would be honored to serve and would work diligently to support the continued tradition of Georgetown Fire in providing high-quality service to the community, as well as maintaining strong, rewarding employment for its staff.

Thank you for the consideration.

Sincerely,
